

Signature Series 16PL

4 1/2" FRAME-2 1/2" SASH DEPTH
AAMA RATING AW-70
OVERLAP SASH TO FRAME

AAMA RATING AW-70

Technical drawing of a double window with a central mullion. The drawing shows two rectangular window units separated by a vertical mullion. Each unit has a double-pane structure with a diagonal brace. Numbered callouts point to specific parts: 4 points to the top frame of the left unit, 6 points to the bottom frame of the left unit, 12 points to the left frame of the left unit, and 15 points to the diagonal brace of the right unit.
