**Oldcastle BuildingEnvelope®**  
A CRH COMPANY

Oldcastle BuildingEnvelope® proudly offers a wide range of standard colors for your project requirements. Our experience and expertise in applying architectural coatings ensures a quality finish. Oldcastle BuildingEnvelope® standard color selection allows you to personalize your project with color. Premier and Custom colors are offered on a per-job basis. Price and lead-time will vary according to project requirements.

### **Fluropon® Superior-Performance Coating Systems by Sherwin-Williams**

Sherwin-Williams' Fluropon® coatings are premium fluoropolymer coating systems containing 70% Polyvinylidene Fluoride (PVDF) proprietary resins. Fluropon coatings are field-proven, superior-performance exterior finishes that meet or exceed AAMA (American Architectural Manufacturer's Association) 2605 specifications. They provide outstanding resistance to ultraviolet rays, exceptional color retention and resistance to chalking and chemical degradation, making them the finish of choice for high-rise and monumental structures, where proven performance and lasting performance are essential.

**Before you choose the finish on your next project, consider the Fluropon® advantages:**

- Outstanding resistance to chalk and fade
- Exceptional color consistency
- Solar reflective formulations available
- Long life cycle vital to sustainable design plans

Oldcastle BuildingEnvelope® remains committed to operating in a sustainable manner in the communities where we manufacture as well as the areas in which our products are installed and maintained. All Standard Colors shown are also available in Sherwin-Williams' high-efficiency Flurospar® coatings.

\*Premier and custom colors may not be available in high-efficiency Flurospar® due to volume and formulation requirements.
